## CREATING A LIFE THAT DOESN'T SUCK

Questions that give direction to your time and money, which otherwise will probably be wasted:

Write down five things that would be awesome to do with your time on earth:

If a wizard came along and went “poof, biznatch,” and gave you \$50,000,000, where geographically would you want to end up, and doing what for the rest of your life?

You become stressed beyond belief so you say “I quit” to your current life, decide to quit your job and then:
